

Holts of Witham

Christmas Brochure 2023

Nothing says Christmas more than a golden turkey or a delicious, caramelised gammon. A quality cut of meat cooked to perfection is what makes Christmas so special for many households, and we couldn't agree more.

We provide a large selection of premium quality Christmas meats, so everyone is able find the ideal option for their holiday feast. While many British households will offer a beautiful roasted turkey, we understand that not everyone chooses this tradition, which is why we are offering an amazing selection of meats to cater for different family customs.

After another difficult year we have tried to simplify our brochure again. All our products are sold at an individual price (not by the kg as previous years). This enables you to budget and know exactly how much your order will cost. As you are all aware of shortages across the country, we advise placing your order early, and please note everything is subject to availability, and could be replaced with a similar product if not available. We will of course do everything in our power to complete all orders fully.

We would like to wish a Merry Christmas to our wonderful community, your continued support throughout the year has been amazing! Thank you from the bottom of our hearts! From our family to yours- Merry Christmas!!

Turkeys

"All our turkeys are reared on a local family farm from chicks to full maturity and only fed on home grown cereals milled directly on the farm. In the event of an outbreak of Avian flu if the flock is to get infected, we will offer turkey breast rolls as a substitute."

Whole Birds

Product	Weight	Serves	Price	Quantity
